Sermon Title:

"The Key to Success"

Sermon Text: 2 Chronicles 26:1-5

Scripture Reading: 1 Corinthians 11:23-29

Leader: *Please allow a moment for introductions/visiting. Have someone offer a brief prayer inviting God to speak and lead using the group's discussion.*

Getting Started: If a teenager were to ask you, "In the areas in life where you have been the most successful, what would be the key(s) to your success?", how would you answer them?

Discussion:

1. At what age would you say you made one of your most life-determining decisions? Do you see young people making those type of decisions at that age today? (King Tutankhamen ("King Tut") became Pharaoh of Egypt at age 10!)
2. Uzziah became king of Judah (capital: Jerusalem) at what age? **(Reference Vs.3)** What sort of events were happening in your life at that age?
3. Verse 5 clearly spelled out the "KEY (singular) to SUCCESS" for him. What was it?
4. What were some of the accomplishments he went on to experience? **(Reference: Vs. 6,7.....9,10..... Vs.11)** Do we have any other experience with King Uzziah? **(Reference: Isaiah 6)**
5. While seeking the Lord is the obvious key to success, the Pastor mentioned 6 areas that are common with highly successful people today. Consider these and how well you are doing with each of them. Successful people.....
 - *master their moods. **(Reference: Proverbs 25:28)**
 - *watch their words. **(Reference: Proverbs 13:3)**
 - *restrain their reactions. **(Reference: Proverbs 19:11)**
 - *heed their health
 - *manage their money. **(Reference: Proverbs 21:20)**
 - *stick to their schedule **(Reference: Ephesians 5:15)**
